Fast-Cut SLR Accessories

Description	Part #	Cat #	List Price
Ultra-Extend 2-stroke synthetic oil case (48, 2oz bottles)	6060477	17374	\$76
Garden hose connector (one included with saw)	3200098	01381	14
Cart dolly with water tank	6060306	25250	701

16" model available
2nd Qtr, 2013

Features:

- Light weight and balanced for less operator fatigue
- Smooth start decompression valve reduces start up force by 70%
- Powerful 73cc engine
- 5-stage filtration system
- Fully adjustable blade guard
- Water kit and garden hose connection included
- Tool kit included with universal wrench, angle torx screwdriver, screwdriver and bushing in carry bag
- Sure-grip rubber coated handles

Benefits:

- Optimized cooling from air flow and fuel compensator - reduces cylinder temperature
- Reinforced hood fastening system keeps the air cleaner cover secure
- Better engine tuning allows for minimal maintenance
- Improved fuel consumption and increased cutting efficiency
- Quick action blade guard adjustment and belt tensioning
- Proven mass dampening system that greatly reduces vibration for operator comfort
- Computerized ignition with digital timing control for easy starting, blade
- RPM control and consistent power
- Ignition coil with start support function for faster starting

Larger initial foam filter along with upgraded main paper filter

Parts List # 1802012

**Modified Deco Valve,
Carburetor and Improved Ignition
Coil for Fast Starting**

Optional Cart Dolly with water tank for using the Fast-Cut saw as a walk behind application
